Financial - Revenues and Expenses

The Fiscal Year 2022 General Fund operating budget, as amended on December 1, 2021 was approved at \$2,528,100.00. Debt service for the 2010A Infrastructure Bond comprised approximately 46% of the budget.

Southfield District Tax Rate

Tax rates are approved by the Massachusetts Department of Revenue based upon all revenue receivables. The tax recapitulation (RECAP) requires reporting of all anticipated income and all authorized expenditures for a given year. This calculation yields a tax rate.

- FY22 Southfield Certified Values - \$471,793,520
- A single tax rate of \$0.46 for the district was approved and a district tax levy of \$217,025.02 in district tax.

Infrastructure Bond

The 2010A Infrastructure Development Revenue Bonds (“Bonds”) in the amount of \$12.55 million were issued on August 9, 2010. The Bonds are

secured by Assessments and Pledged Revenues levied on each Parcel of Assessed Property. The Assessments have been imposed upon the real property within the boundaries of SouthField and are limited to those properties transferred under FOST 1 and 2 (June 2006 conveyance to LNR South Shore, LLC). Assessments are equal to the interest and principal on the Bonds and estimated administrative expenses related to the Bonds. The Assessment Roll is updated each Tax Year. In FY22, the SRA and Host Communities were required to pledge \$1,121,072 from dedicated tax revenue toward the debt obligations. The Special Assessment incurred to unimproved landowners, as of January 1, 2021, was \$49,028. Together these two amounts totaled the FY22 bond costs of \$1,170,100.

The 2010A Bond was refunded as the Infrastructure Development Refunding Bonds, Series 2020A issued in the aggregate principal amount of \$13,295,000 inclusive of Issuance Costs. The Principal Payments increase annually ranging from \$350,000 to \$850,000 and maturing on August 15, 2040 with the final Principal Amount of \$4,170,000. A Premium on the Bond Issuance, in the amount of \$4,035,000 was realized as part of the present value of interest reduction savings. This Premium is to be allocated to current Infrastructure Projects as approved by the Board of Directors.

Parkway Bond

Utilizing funds from the Commonwealth of Massachusetts, construction of the East-West Parkway (“Parkway”) began in 2010. With the initial construction phases of the Parkway completed, the roadway opened in August of 2013. The SRA utilizes annual net new tax revenue information to calculate any annual deficiency obligations to the Commonwealth. The aggregate deficiency obligations from FY13 through FY20 are currently in deferral.

Free Cash

The undesignated fund balance in the general fund at the end of each fiscal year is submitted to the Massachusetts Department of Revenue for certification of Free Cash. The chart below indicates those amounts

certified in prior years.

FREE CASH	FY18	FY19	FY20	FY21
General Fund	\$ 1,004,017	\$ 618,485	N/A	N/A

Other Post-Employment Benefits (“OPEB”)

GASB Statement 45 requires state and local governments to begin reporting OPEB costs and obligations. This statement requires that the annual cost and liability associated with OPEB be computed and gradually accounted for within the governmental entity’s books and records. With the SRA having fewer than 100 participants covered under the plan it is eligible for an alternative measurement method of reporting. The report includes the calculation for the Actuarial Accrued Liability (“AAL”) which is defined as the total projected liability for OPEB covered under the plan. The AAL calculation uses the data on active employees, employees who are eligible for retiree healthcare, current retirees and beneficiaries. Utilizing this approved methodology and an independent firm to perform the calculations, it was previously determined that potential liability was \$352,402 as of the valuation date of 7/1/2018. With changes in OPEB methodologies of using conservative guidelines for investments this increased to \$509,761 as of July 1, 2020. A separate stabilization fund was established for the specific purpose of holding such funds. As of June 30, 2022, this fund had a balance of \$364,806.44.

Retirement Board

The SRA is a member of the Plymouth County Retirement Association (“PCRA”). The PCRA is comprised of a five-member Board of Directors with the fiduciary responsibility for the fund assets.

Enterprise Funds

The SRA provides Union Point residents with water supply and sewer disposal through a contractual agreement with the Town of Weymouth. The SRA previously adopted Chapter 44, Section 53F ½ of the General

Laws for water and sewer activities. Revenues collected are dedicated solely to offset operating expenditures. Any excess balance at year end remains with the enterprise fund. The FY2022 Water/Sewer Enterprise Fund Budget was \$37,000, which is mainly used for water testing.

In January 2018 the Town of Weymouth took over billing and collections for all of the existing water and sewer customers at Union Point. As of June 30, 2022, the SRA still retained all O&M responsibilities, however all new revenues go to the Town of Weymouth.

Retained Earnings

The undesignated fund balance in the enterprise fund at the end of each fiscal year is submitted to the Massachusetts Department of Revenue for certification of Retained Earnings.

The chart below indicates those amounts certified in prior years.

Retained Earnings	FY17	FY18	FY19	FY20	FY21
Enterprise Fund	777,821	815,018	308,980	390,124	274,772

Cash Management

Investment options are limited and governed by the General Laws. Cash was invested primarily in money market accounts. All SRA financial institutions have been rated by Veribanc as “green with three stars”. These ratings are reviewed on a semi-annual basis.

Risk Management

The SRA insurance coverage under FY22 policies included directors and officer’s coverage, automobile, and worker’s compensation.
